ILO - REPORT

Dear brothers and sisters in the faith,

Greetings from the church of Christ in ILO – Peru.

The ILO church remains faithful to the Lord and His Word. We are thankful for this and for your continue support and prayers for this work.

BIBLE STUDIES

We have been studying 1John:

- Jesus the Word of Life
- False teachers and false doctrines
- Characteristics of false teachers

These studies will help our brethren to be prepared against bad teachings in the future.

CHILDREN'S CLASSES

On Saturdays, our sisters continue with the children's Bible classes.

Last Saturday's topic was: "Joseph and his brothers". Sister Naydu read the story, and then I helped with the projection of the movie about Joseph. Next the children did some drawings and later they answered questions about the lesson. For the break we took the children to the park, located in front of the church building. They played soccer and we are also hoping to reach their parents with these activities.

VISITORS

In May we had the nice visit from our brethren of Santiago, Chile. Brother Pablo Sanchez and brother Raul Diaz. They encouraged the brothers and sisters here with great Bible studies and fellowship.

Dear brethren, I communicated to ILO church, about my returning to my home town, Arica-Chile, at the end of July. I'm sorry that I can't continue working for the work of the Lord in ILO for personal reasons (my mother, wife and father in law are having many health issues for several months and they need a lot of support). I have promised to my brothers in ILO that I will come to visit them. It has been a great experience to work here for more than 4 years. It is not easy to say good bye, part of my life will stay here with my spiritual family.

In Christ our Savior,

Your brother and servant,

Eduardo Beltran
