Matthew 5:6

Dear church family:

"Thank you" just doesn't express adequately enough our gratitude to all of you and the many ways you cared for Megan and for us during her lengthy illness. We hope you know how grateful we are for the visits and the cards, the help with Morgan, the meals and snacks, the generous amount of money that helped us as we traveled back and forth and ate at the hospital during Megan's stay. Most of all, we appreciate the love and support and your prayers for Megan. God continues to work in her to share HIS love for other people and show HIS strength. We are blessed with her life, and we are blessed with you as our church family. We love you. Kevin and Kamy
