

Hickory Church of Christ Children's Ministry and Youth Group Overview

Our Children's Ministry and Youth Group exist to help kids (infants through high school age) with knowing, loving, and following Jesus. Bible classes are in-person on Sundays at our church building and in-person or on Zoom on Wednesdays. We connect with area churches for various activities and attend summer Bible camps. We also have fun outings, service projects and holiday celebrations together. All kids and teens are welcomed. Parents' Night Out is held routinely when we have fun with kids while parents have time for themselves.

Faith Boulevard is our incredible Pre-School through 5th Grade Bible education program, based on a rotation model. During a three-week period, students in our Sunday classes rotate by grade through three different classrooms, to learn the Bible lesson through hearing, seeing and hands-on techniques. Faith Boulevard consists of the **Drama Room, Movie Room, and Creation Station (Art Room)**. We love when kids come to grow in Scripture with us.

Kingdom Kids – Children's Worship

Children ages **2 years through 4th Grade** are invited to our Kingdom Kids Children's Worship. It meets upstairs in our Education Wing, from the beginning of the sermon until the end of the worship. By our offering Kingdom Kids, we hope parents and guardians will be able to worship God fully, while the children sing, learn Scripture, and do crafts with us.

MIDDLE/HIGH SCHOOL YOUTH BIBLE CLASSES AND ACTIVITIES

As our young people develop and move to middle school, we look for them to develop a personal faith in Jesus Christ. Our Youth Sunday Bible classes help our middle and high school students establish and grow their faith, so they become and grow as committed disciples of Christ. Engaging Old and New Testament discussions are held, to captivate and challenge the minds and hearts of this age group. Throughout the year, these youth attend Winterfest, youth rallies, summer Bible Camps, camps at Christian colleges/universities and more.
